

LaCie® Portable SSD

HIGH PERFORMANCE SSD, USB-C
Data Sheet

Style That Performs. Performance That Endures.

Accelerate productivity and score some downtime with LaCie Portable SSD— fast file transfers, travel-sized, large capacity—works with computers and USB-C compatible iPad devices.

Key Features:

- Complete file transfers fast or work directly from the drive with read speed up to 1050MB/s and write speed up to 1000MB/s-- speeds comparable to NVMe¹
- Up to 2TB capacity to store hours of 4k footage and thousands of raw photos in one place². Plus an eye-catching, travel-sized, and robust design to withstand an active lifestyle
- Effortlessly transfer photos and videos with iPad® USB-C compatibility, freeing up space on your device—plus, work on all your files directly from your iPad
- Quick connections are a snap with USB-C for out-of-the-box compatibility³
- Robust design offers durable, shock-resistant storage to withstand the impacts of an active lifestyle—throw into your bag and go
- Enjoy long-term peace of mind with the included limited warranty and Rescue Data Recovery Services⁴

¹ Actual data rates may vary depending on operating environment and other factors, such as chosen interface and disk capacity.

² Based on the average image size of digital cameras (10MB).

³ Minimum System Requirements: iPad OS 14 or later, iPad Pro 3rd generation/iPad Air 4th generation and higher

⁴ Not available in all countries.
